This month's story guide is; "THAT'S WHEN I KNEW."

Stories can be fiction or nonfiction and they should be from 5 to 7 minutes in length. Stories will be told without notes, but small props are allowed. Story tellers must use family friendly language, highly charged political issues will be avoided. Come tell a tall tail or give a riveting account of a personal experience.

Build a story around "THAT'S WHEN I KNEW" and share that story with us.
