*Re: March 16, 2026, [almost] St. Patrick's Day Donkey Basketball Fundraiser*

Dear Panther Friends and Supporters -

Thank you for your commitment and support of education in our Prairie City community! The Prairie City High School (PCHS) Book Club, "The Spinebreakers" are excited to be furthering the educational opportunities our PCHS students have for a richer education, and we are seeking your support in a "novel" community event and fundraiser.

On Monday, March 16th, we are hosting an [almost] St. Patrick's Day Donkey Basketball Fundraiser to bring our community together for an evening of side-splitting fun and madcap hilarity! The proceeds from this event will directly support our Prairie City Book Club and help fund an upcoming academic field trip for participating students. **To make this fundraiser successful, we are seeking your donations in the form of gift baskets, individual items to include in baskets, gift cards, merchandise, services, or monetary contributions.** These donations will be used for raffles and silent auctions during the event. Every contribution, large or small, will play a meaningful role in helping us reach our fundraising goals.

Your partnership is essential to the success of programs like ours. By supporting this event, you can make a difference in education, literacy, and the the future of Prairie City's youth. We are deeply grateful for your generosity and support, and we look forward to working with you to make this event both memorable and impactful for Prairie City.

**Sincerely**  
**Prairie City Spine Breakers**
