**Large Building available for a Single Large Group - NOT INDIVIDUALS.** Twenty cots (250 lb. rated) are provided but there is room for up to 50. The building is handicapped accessible. Two bathrooms. A break room type room (18 x16) with refrigerator, microwave, counter space and sink along with table and chairs. Also provided are a BBQ grill and 2 burner propane stove. Limited pots/pans available. The main area is 54 x 40 with a separate smaller room of 18 x 13. On site showers will be included in reservation fee. Trash service provided. This building stays nice and cool during the heat of the summer with its high ceiling, fans and multiple doors for nightly air flow. There will also be on site security.

A signed agreement will be required with a non-refundable deposit. Smoking in private vehicles only. No open fires. Pets are ok.

This property is located at the Grant County Airport Industrial Park, which is located above the town of John Day. This location provides perfect viewing of the eclipse and dark night skies for star gazing. There will be food vendors just down the road at the RV Park. The local bus service will be running a route from this location down into the town of John Day.

We can provide photos of the building, its amenities and the surrounding area if you would like. Contact Sherri at [skaydowdy@gmail.com](mailto:skaydowdy@gmail.com) for more information.

**Wall tent (12 x 20) available.** Five cots (250 lb. rated) provided but could sleep up to 7. Showers and bathroom on site included in reservation fee. Trash service provided. There will also be on site security.

A signed agreement will be required with a non-refundable deposit. Smoking in private vehicles only. No open fires. Pets are ok.

This camp site is located at the Grant County Airport Industrial Park, which is located above the town of John Day.
